

Gobiotics by Sweetch is committed to consistently delivering cosmetic raw materials that comply with Halal certification requirements. This Halal policy applies exclusively to products listed in the current Halal certificate. Our policy reflects full commitment to complying with applicable Halal standards and regulations.

POLICY STATEMENT

Gobiotics by Sweetch guarantees that all products included in the current Halal certificate fully comply with Halal requirements according to applicable standards and regulations. Our Halal policy includes:

- Ongoing training of personnel on Halal requirements,
- Systematic verification of Halal certificates and supplier declarations,
- Systematic Halal audits,
- Risk management to prevent Halal contamination,
- Continuous improvement of processes and control systems,
- Compliance with customer and certification body requirements.

EMPLOYEE RESPONSIBILITY

All employees of Gobiotics by Sweetch are required to comply with applicable Halal certification regulations and requirements. In case of any non-compliance, employees must immediately report the issue to the Halal Compliance Department for appropriate action.

"This document or any information provided herein by Gobiotics BV does not constitute a legally binding obligation of Gobiotics BV. While the descriptions, designs, data, and information contained herein are presented in good faith and believed to be accurate, it is provided for your guidance only. Because many factors may affect processing or application/use, we recommend that you carry out tests to determine the suitability of a product for your particular purpose prior to use. This document does not relieve our customers from the obligation to perform a full inspection of the products upon delivery, or any other obligation."

No warranties of any kind, either express or implied, including warranties of merchantability or fitness for a particular purpose, are made regarding the product described, design, data, or information set forth, or that the product, design, data, or information may be used without infringing the intellectual property rights of others. In no case shall the descriptions, information, data, or designs provided be considered a part of our terms and conditions of sale."
